## Council Disagrees On New Purchases

(Continued from Page 1)

Mahon because of crowding at the school, was approved, 4 to 0, Mrs. Zahn passing her vote.

Report of City Engineer McAuley regarding sewer repairs and water infiltration at 831 Pomona Ave., was approved 4 to 1, Mrs. Zahn voted, "No." The city engineer stated that the city was not responsible for damage beyond the curb line.

On the reported refusal of a contractor to sign an agreement for the removal of the old tires in the mud flats at \$1.10 each and asking \$1.40 instead, a move to sign a contract at the latter price was approved, 5 to 0.

CHRISTIAN SCIENCE

How sickness as well as sin can be overcome through spiritual understanding of God, divine Principle, will be brought out at Christian Science services Sunday at 533 San Pablo Avenue in Albany.

Keynoting the Lesson-Sermon entitled "Are Sin, Disease, and Death Real?" Is the Golden Text from Psalms (103:2-4): "Bless the Lord, O my soul, and forget not all his benefits: who forgiveth all thine iniquities; who healeth all thy diseases; who redeemeth thy life from destruction."

In addition to passages from the King James Version of the Bible, selections will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy including the following (406:1-6): "The Bible contains the recipe for all healing. 'The leaves of the tree were for the healing of the nations.' Sin and sickness are both healed by the same Principle. The tree is typical of man's divine Principle, which is equal to every emergency, offering full salvation from sin, sickness and death."

CHRIST LUTHERAN

Palm Sunday Services at Christ Lutheran Church, El Cerrito, will feature special music by both the Junior and League Choirs, the leading of the early service by members of the Luther Leagues, and the sermon by Pastor George H. Mueckling who will speak on the theme, "The Slave King" at both the 8 and 11 a.m. services. The Luther League choir at the early service and the Junior choir at the second service will both sing an arrangement for two-parts of Bach's chorale, "All Glory, Laud and Honor." This chorale is appointed in the Lutheran Hymnals for Palm Sunday. The 8 a.m. service will be conducted by members of the Luther League in keeping with Bible passages that children sang Hosanna to Christ on the first Palm Sunday. The leaguers will have begun the day with a breakfast at the church at 6:45 a.m.

New members will be received formally into the fellowship of Christ Lutheran Church at the 11 a.m. service on Palm Sunday. They will be informally welcomed after the service with a reception in the Parish Hall of the Church following the service.

FIRST BAPTIST

At a special Palm Sunday Service, 11 a.m., Rev. O. R. Odegaard, D.D., will speak on the sermon subject: "Touching Words of Farewell." The Chancel Choir will render, "The Palms" with Mr. and Mrs. Raymond Swan playing a trumpet duet.

At this same hour Mr. and Mrs. Eric Madsen conduct a Junior Church in the Educational Building. Nursery is provided for small children.

At 7 p.m. the pastor will speak on the sermon subject "The Rock of Ages", an exposition of 1 Cor. 10:4. Special music by Youth Choir and other talents.

GRACE LUTHERAN

At Grace Lutheran Church, Santa Fe Ave. at Ward, the Rev. O. R. Janke, pastor, will speak next Sunday in both the 9:45 a.m. and 11 a.m. services on the topic, "Five Days To Live!" Special music for this service under the direction of Esther H. Hughes will include a vocal solo, "The Palms", by Richard Tompkins, and the choir anthem, "Hear the Glad Hosannas." The lesson topic for the graded classes of the Sunday School meeting at 9:45 a.m. will be, "The Crucifixion of Jesus."

Holy Week services will be held on Thursday at 7:45 p.m. with Holy Communion, on Good Friday at 1 p.m. for a one hour devotional service on "The Seven Words", and on Good Friday evening at 7:45 p.m. with Holy Communion.

# TO THE CITIZENS OF ALBANY

Under the U. S. mail postmark April 5th, 1957 the Albany Police and Fire Civil Service Club sent a letter to you, citizens in Albany stating:

"We are taking the privilege of contacting SOME of the people in our city whom WE consider the TYPE citizens that through civic pride and their wish to economically add to the progress of Albany will give unbiased thought to the problem confronting the City of Albany at the present time."

The letter further states, "that the members of the police and fire department endorse with justifiable pride and satisfaction the action taken by the City Council to purchase 1110 Washington Ave. and demand that the purchase should be carried out without interference with a Referendum forcing the issue on the ballot and by adding appr. \$ 5,000. . . to the cost through election expenses."

NOW THEN, may I suggest to the members of the Fire and Police Civil Service Club of Albany that they to their business of LAW ENFORCEMENT and PROTECTION and FIRE PROTECTION, for which they ARE HIRED and STOP MEDDLING IN POLITICS and INTERFERING with my duties as a City Council member as I see it.

Many of the members of the said Civil Service Club DO NOT LIVE IN ALBANY and consequently, since they do not pay taxes here, are NOT concerned with HOW MUCH MONEY is being paid for the purchase of certain properties; furthermore their statement, "that a special election would cost appr. \$ 5,000. . . is deliberately MISLEADING. Quite obviously the members of the Police and Fire Department are NOT familiar with Section 9050 of Calif. Election Code, which permits the City Council to consolidate its 44 precincts into just 8 precincts, which would cut the cost of an election to a minimum.

## HERE ARE THE FACTS ABOUT THE LAND PURCHASE:

substantiated by photostatic copies.

The City of Albany has in its "Capital Outlay" Fund \$ 44,000. . . and since the City Hall, Police Station, Firehouse buildings are overcrowded, it was suggested by some of the Council members to buy FIVE parcels of land IF THE CITY COULD GET THEM WITHIN THAT PRICE. Councilman BLANK proposed to hire Mr. C. HOYT as the appraiser to find out "how much the City of Albany could pay for the respective properties. The property in question is located at 1110 and 1116 Washington Ave.; 803 Kains Ave.; a 25x100 empty lot next to Kains Ave. 1041 Solano Ave. next to the City Hall.

Mr. Hoyt gave us the individual prices for the FIVE properties in question and received in October \$ 125. . . his work. Then the Councilmembers including myself and Mr. Hoyt SIGNED an agreement - based on the appraisals he had appraised - - - "TO NEGOTIATE FOR THE PURCHASE OF THE FIVE PROPERTIES AT THE PRICES." (Quote from agreement) The total price was \$ 42,500 and Hoyt was to receive 2½% Commission on that amount. When I objected to the high commission, Mr. Blank informed me that "IT TAKES WORK TO GET FIVE PROPERTY OWNERS TOGETHER TO SIGN OPTIONS TO SELL THEIR LAND."

The VERBAL agreement was "that NO property would be bought SINGLY, that Mr. Hoyt would get the options for six months; in the meantime the City Council would find out, HOW MUCH A Police station, a City Hall and a Firehouse would cost, then it would be put on the ballot for the people to vote on, and if approved ACTION BUILDING COULD START SOON AFTERWARD.

However, in midstream suddenly plans were changed WITHOUT MY KNOWLEDGE. On March 25, SEVEN MINUTES BEFORE COUNCIL MEETING, Mr. BLANK informed me THAT WE WOULD HAVE TO BUY THE PROPERTY LOCATED AT 1110 Washington Ave. THAT NIGHT AT A PRICE of \$ 11,743.50 which was \$ 2,243.50 HIGHER than we agreed on in writing.

I objected vigorously - - but to no avail; the Council went ahead and purchased the property. However, next to it, the property owner at 1116 Washington Ave., ISN'T ANXIOUS TO SELL and according to Mr. Hoyt "IT DOESN'T SEEM WISE TO TALK TO HER ABOUT IT." (Letter dated 3/18/57).

Now then, ONE INSIDE lot 50x100 and an old house over Fifty years old is certainly NOT worth \$ 11,743.50 with other words the City would be paying \$ 11,743.50 for the lot alone located at 1110 Washington Ave.

To complicate matters - - - and this might interest you - - - the owner at 1110 Washington Ave. wishes to buy house on Santa Fe Ave. with the City of Albany paying ALL CLOSING COSTS AND CURRENT TAXES.

Mr. Hoyt informed the City Council under date of 3/25/57 that THIS would be the following costs: "Title insurance \$ 96. - - ; Taxes 909 Santa Fe Ave. \$ 80. - - ; Notary fees \$ 2. - - ; Recording fees \$ 3. - - ; COMMISSION \$ 550. - - ; Revenue Stamps on Deed \$ 12.50. Total cost \$ 743.50. WHY SHOULD THE CITY OF ALBANY PAY THESE COSTS? ?? They certainly are no concern of ours.

In conclusion I wish to state, that I am still willing to abide by our ORIGINAL WRITTEN and VERBAL agreements, that I outlined above. I am a strong believer that YOU must have a VOICE in money matters, since YOU are the ones who are paying the bills. (Rumors are that the City Council - - - in order to AVOID a bond issue - wishes to build by "PURCHASE-LEASE agreement". That means you, the taxpayer WILL PAY THE BILL. I have NO voice in the matter. This will take place, when I have left the City Council, which will be April 1958, when my term in office expires.)

Coming back to the Special Election: Under Section 9050 of the Calif. Election Code the City Council is authorized to CONSOLIDATE our "44 Precincts" into just "8 Precincts." Since the "BOARD OF EDUCATION" of Albany CONSOLIDATES our precincts for school elections, I SEE NO REASON WHY WE, THE CITY, CAN DO THE SAME. We can use the school-buildings, the Council Chamber and the large room in the Recreation Building at 850 Masonic Ave. for polling places.

And when I consider that the four Councilmembers BLANK, DONAHUE, KECK and HOWELL APPROVED December 18th, 1956 an ADDITIONAL \$ 10,000 (Ten Thousand Dollars) FOR THE MAINTENANCE AND OPERATION OF "PARK - and RECREATIONAL FACILITIES" in CODORNICES VILLAGE FOR THE PERIOD OF "SIX" MONTHS from December 16, to June 30, 1957. . . the SMALL amount of money by comparison that it will cost to hold a SPECIAL ELECTION in EIGHT PRECINCTS to determine HOW YOU ALL FEEL about land purchases and new city buildings - - - I guess THIS money is well spent. (This \$ 10,000 is in ADDITION to the \$ 7,119. - - that was spent in Codornices Village TO PUT THE RECREATION AND ADMINISTRATION BUILDING IN SHAPE FOR OCCUPANCY since the City leased the buildings from the University.

P.S. This coming Monday, April 15th the next Mayor will be selected by the four Council Members.  
Albany, April 12th, 1957.

**Kathie Zahn**  
Member of the City Council

Remember these young-looking women? Each appeared in recent P. G. and E. advertisements which made the point that women certainly look younger than their years these days!

Of course there are many reasons for this, but one big one is modern household appliances. They've taken over

most of the heavy chores that used to age women long before their time. Frankly, we're proud of the part our company plays in all this: With P. G. and E.'s low rates for gas and electricity, you can run a houseful of appliances all day for about half the price of a lipstick!

Albany Times  
Attention: Editor  
Dear Sir:

I am one of those parents who feel very "emotional" about our present school problem. I feel, in this case, that my children are the ones who will suffer if this election does not go through.

When my husband and I were looking for a house to buy in 1955, we told the realtors not to bother offering us any bargains in the surrounding areas, because we wanted to stay in Albany where our children would get a well-rounded education.

Now, if this does not pass, we must look again for a house in a community more interested in the education and future of its children. I have made many, many friends here, as have my children, and I will hate to leave them. But I cannot live in a community where my children have to go back 20 years in education. I feel that they are entitled to a more modern education, and I know that many other parents feel as I do. Eventually Albany will become a city of childless couples and elderly people.

Many people have told me that they will vote "no", or will not vote at all because the new superintendent was chosen from outside

of our area. I wish these voters would try to understand that they are hurting no one but the children with that attitude.

The ones most seriously affected by the plight of the Albany schools are the children. Our boys and girls have a right to be taught by qualified teachers who are adequately paid. They have a right to the individual attention possible only in classrooms which are not overcrowded. They have a right to a full modern education.

But more and more of them, in the years ahead, will be robbed of their rightful educational heritage unless enlightened public action is taken now.

Sincerely yours,

Editor, Albany Times

Dear Editor:  
Counter-answering W. A. Mulligan, President of Senior Citizens' Club of Albany, who answered "A Teenager", Jan. Davis.

It seems plain the term "Senior Citizens" has been used rather loosely in reference to the elder population of Albany, and I feel sure that any concerted efforts to obtain a "NO" vote on the first tax increase election were not confined to the membership of the Senior Citizens' Club. However, if Mr. Mulligan wishes to reduce the possible effect of his Club's membership on the election to arithmetic, he might consider the following. If the 119 registered members of the Senior Citizens' Club who presumably voted "NO" (judging only from the tone of Mr. Mulligan's letter) were to change their vote to "YES", this would reduce the "NO" vote by 119 and increase the "YES" vote by the same number, making a total difference of 238, (a very happy thing for Albany's welfare).

I wish to give Mr. Mulligan credit for the possibility that his reasoning was not carried to its limit when he made the statement, "we have too high regard and respect for the youth of Albany to ever harbour the thought of denying them an education, after all, did we not send our own children through Albany schools to graduate from Albany High?" Surely he can not be deluded into thinking the present increased school population of Albany can be educated equally as well on the same budget as his children were before inflation.

I agree completely with Mr. Mulligan that the Senior Citizens should not be made the whipping boy of the tax defeat. If, in truth, he knows many younger people with children in school who will vote against the tax increase despite the efforts by the Citizens' Action Committee and the Board of Education to present the facts, then I can only pray that, "come what may" — and come it will — somehow, somehow the children of those parents will receive a substantially better education than did they who remain so ignorant of, and opposed to, the needs of our school system today.

Sincerely yours,

Dear Mr. Bryan:

Thanks for your prompt and courteous reply to my open letter. You have given some figures, but they are not adequate. Your main point is that the cost of education is 12% higher than in 1954. Unless we are given detailed figures as to how the tax money has been spent over a period of several years, plus the number of pupils during those same years, how is the taxpayer to know how his money is being spent, and if wisely?

You have stated that the proposed \$295 tax in Albany would raise less money per child than in either Berkeley or Oakland, with lower limits. Does that mean that we have a higher percentage of children to total population in Albany than in Oakland and Berkeley?

Now back to the school lunches again. If the manager's salary must be paid by law by the School district, price the lunch at a figure which will offset that salary.

You have invited me to make specific changes in our educational system. This I would be happy to do, if provided a detailed budget for the coming fiscal year.

Mr. Bryan, at one point in your letter you state "Curtaillments were proposed that would least affect the basic education of children."

Well, let's get down to basic education. What is an education? An education results from a desire within a person to gain and evaluate knowledge, whether that person be a child or an adult. The person with that desire will attain his goal even though he may have to walk to school, carry his lunch, and study by candlelight by night. The person without that desire will never have more than a fleeting, superficial education, regardless of many facilities afforded him.

Education should be available for all, even if superficial, but do we need Instrumental Music?

M. A. KNOLL.

### Here's How Payroll Savings Can Make That Dream Come True

If accumulating the down payment has been keeping you from building the house of your dreams, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

All you do is sign a Payroll Savings application at your pay office, naming a certain sum to be set aside for you each week—a few dollars or as much as you want. After that, your saving is done for you—automatically.

And every time there's enough in your account, a U. S. Series E Savings Bond is purchased in your name and given to you. Soon the few dollars saved from your pay each week add up to a generous amount.

So don't get in the dumps about down payments. Meet the cash needs for your dream house the way millions of other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank.

Good manners and sportsmanship are just as welcome at the card

pondering what card to play or arranging your hand card by card as

You'll find that new cards are not only pleasanter to play with but  
easier to shuffle and deal too.

## WHAT IS THE TRUTH?

**SOME PEOPLE SAY** that Adult Education in Albany takes away from the  
children's educational program.

**THE TRUTH IS** THAT THE ADULT EDU-  
CATION PROGRAM IS AN ENTIRELY SEPARATE DISTINCT AND  
SELF-SUPPORTING PROGRAM.

**SOME PEOPLE THINK** that their school tax money is paying for Adult  
Education.

**THE TRUTH IS** THAT INCOME FOR  
ADULT EDUCATION IS DERIVED SOLELY FROM STATE FUNDS,  
CLASS REGISTRATION FEES, AND INCIDENTAL CHARGES.

**SOME PEOPLE THINK** that the elimination or the reduction of the Adult  
Education Program would reduce our school taxes.

**THE TRUTH IS** THAT ADULT EDU-  
CATION WILL NOT AFFECT THE SCHOOL TAX IN ANY WAY.  
THE PROGRAM, ON A SELF SUPPORTING BASIS, DOES NOT  
RECEIVE ANY LOCAL TAX MONEY . . . CITY, COUNTY, OR  
SCHOOL DISTRICT.

**SOME PEOPLE THINK** that Adult Education cannot be made self supporting.

**THE TRUTH IS** THAT WHAT IS NOT  
PROVIDED BY STATE INCOME WILL, WITH THE OPENING OF  
THE SPRING QUARTER, BE COVERED BY: INCREASED REGIS-  
TRATION FEES; ELIMINATION OF SOME SMALL CLASSES; IN-  
CREASED AND ADDITIONAL INCIDENTAL CHARGES.

**SOME PEOPLE THINK** that the admission of non-residents means higher costs  
for the adult students of Albany.

**THE TRUTH IS** THAT IT MEANS LOWER  
COSTS. STATE MONEY IS BASED ON ATTENDANCE, REGARD-  
LESS OF STUDENTS' RESIDENCE. LARGER CLASSES MEAN  
MORE STATE MONEY. IN ADDITION, NON-RESIDENTS WILL  
PAY HIGHER REGISTRATION FEES.

**SOME PEOPLE THINK** that the Albany Adult Education Program reaches  
only a few.

**THE TRUTH IS** THAT OVER 4,600 PEO-  
PLE, INCLUDING 400 ELEMENTARY AND HIGH SCHOOL STU-  
DENTS, BENEFITED FROM THE MORE THAN 120 COURSES OF-  
FERED LAST YEAR AT THE ALBANY ADULT CENTER.

**THE TRUTH IS** THAT EDUCATION  
AT ALL LEVELS -- FOR CHILDREN AND FOR  
ADULTS -- IS A CONTINUING PROCESS AND IS VI-  
TAL TO THE COMMUNITY AND TO THE NATION.

### WEAR WHITE AFTER DARK

WINNER 12TH NATIONAL TRAFFIC  
SAFETY POSTER CONTEST

The importance of dressing so you can be seen by motorists in the dark may save your life, says the California State Automobile Association. More than half of all pedestrians killed in traffic are struck at night. Many people do not realize how difficult it is for drivers to see pedestrians in dark clothing. If everyone who has to walk along highways and cross poorly lighted streets at night would wear something white or light-colored, the hazards of darkness would be greatly reduced. If you don't happen to be wearing something white, then carry a newspaper or other white or shiny object. Your life as a pedestrian will be safer.

about Savings Bonds!**

Mickey Mantle's big bat won him the American League's Triple Batting Crown last year and unanimous choice by the nation's sports writers as his league's most valuable player.

This young Oklahoman figures to have many more great years in the majors,

but already he's looking beyond his playing days, planning for his family's future with regular savings.

Mickey says, "From personal experience, I know that the guy who comes through regularly means the most to himself and his team. I've learned the same lesson about savings. Buying U. S. Bonds regularly helps win the game of security."

"Millions of sports fans can be star players in the game of security by joining and staying on Payroll Savings where they work."

Good advice for the long haul from a long ball hitter. For most of us, Payroll Savings offer the easiest, surest way to save. And the time to start is now. All you do is sign the application form in the payroll office where you work. Select the amount to be set aside for your Bonds each payday. Then your saving is done for you. And each time you've accumulated enough, a Bond is purchased in your name.

You keep adding to your Bonds through Payroll Savings and your Bonds keep earning interest for you. It's a sure way to make a little deduction add up to a lot of security.

So don't put off saving another day. Sign up for Payroll Savings where you work—today. Or start buying Bonds regularly where you bank.

# Why I Voted "NO" On The Tax Increase

## AN HONEST MAN SEARCHES HIS CONSCIENCE

DEAR NEIGHBOR:  
My wife and I voted "NO" on the first tax increase election for a number of what we felt were valid reasons.

We are in our middle age. We have no children. We are buying our home in Albany. I am at present unable to work due to an injury received on the job. Why should we vote to increase our own taxes — especially since we had heard rumors that the school administration was spending money incautiously?

We were shocked to receive notice of the impending increase in school tax in January, right after the county tax raise. But it did occur to us that at least we could VOTE on it. The right to vote is the most important right we have. How did we get this right? By an educated and enlightened people. It was through the public school system in America that I, born in Yugoslavia, can give thanks to the people of this country for my education and right to present my point of view.

With no children of our own, why worry about our neighbors' kids? Well, we now reasoned that our neighbors' children will determine our future welfare as well as their own when they grow older and vote. Will they help us? Our conclusion is YES — IF they get a good education.

We've also asked ourselves, what would be our lot in this world if our educational system failed? Well, people were sold in slavery. They were imprisoned for debts. Need we go further? Has your grandparents' and parents' support of an educational system been worth it to you? We say YES.

Last, but not least, is this important question. Why punish the children if some mistakes are rumored to have been made by adults? We've decided not to jump to conclusions about the rumors, but if proof is offered that changes are needed in future school programs and spending of money, the time to protest is at the school board election. Then you can weigh the qualifications of your candidates and choose those you feel are best suited to do the job.

After all, you only get what you pay for, and we feel that education is priceless. WE HOPE THAT YOU, TOO, WILL CHANGE YOUR VOTE TO "YES".

Sincerely,  
**PAUL R. BOYICH**
